WRITERS CONTEST

Brainstorming  
Where the best stories begin.

Brainstorming is a way to come up with new and different ideas. Use this activity booklet to write or draw whatever comes to your mind. You'll end up with a GREAT STORY!

**Story Structure** All stories have a beginning, middle and an end. Write down or draw how you want the story to start, what happens during the story, and how will it end.

## Main Character The person, animal or thing your story is about.

Create a list of different characters you want in your story and describe them.

## Problem & Resolution

The challenge your character(s) face and how they overcome it.

Create a list of problems (passing a math quiz, fighting an evil villain). Then in a separate list create ways to solve the problem. Choose your favorite scenarios and circle them.

## Setting Where your story takes place.

Create a list of different places (the zoo, the moon) and choose whether it's the past, present or future (last year, next Tuesday). Think about how the setting might affect your character (the snow made it cold).
